Dear Mr. Blumenfeld:

Thank you for your prompt reply and your willingness to meet with myself and our Malibu Unites members as well as tour the school with us and some of the teachers.

School is out for the year on June 10th. What dates are you considering for your visit to Malibu?

I hope you had a lovely Memorial Day weekend.

Dear Ms. DeNicola,

Thank you for sharing your concerns regarding PCBs in the Malibu High School and for your invitation to tour the school. I would like to accept your invitation for a tour and to meet in person with members of your organization to discuss your concerns.

My staff will be providing me an update on Malibu High School at the end of next week. After that briefing, we will be in touch with you about possible dates for a tour and meeting in next month. My staff will also reach out to the school district to coordinate logistics for the tour.

I look forward to with meeting you.

Jared Blumenfeld
